

EDX - END DUMP EXTREME

**IT'S HAUL
OR NOTHING.**

BUILT FOR MAXIMUM PAYLOAD, MINIMUM LIMITS.

The EDX End Dump Semi Trailer is engineered for high-capacity hauling and efficient transport of bulk materials. Its frameless end dump design reduces overall trailer weight while maximizing legal payload, allowing operators to move more material per load. Built from high-strength steel and precision-engineered for smooth, controlled dumping, this end dump semi trailer delivers reliable performance with aggregates, construction debris, and other demanding bulk materials.
