

XT7-91" HIGHHAUL GN DUMP TRAILER

**HARD
CORE**
TRAILERS

**IT'S HAUL
OR NOTHING.**

CAPACITY WITHOUT COMPROMISE

The XT7 HighHaul Gooseneck Dump Trailer is engineered for jobs that demand more. Its 8" I-Beam frame and heavy-duty scissor lift deliver the strength to handle demanding loads, while 48" high sides maximize volume with every haul. A 27" deck height and 45° tilt ensure smooth, efficient dumping, and HD QuickSlide™ ramps with tandem axles and electric brakes keep you in control start to finish.

ACTUAL PRODUCT MAY VARY FROM PICTURE

SPREADER GATES

Easily adjust for even material distribution or quick, full dumps to match the job's demands with flexible 3-way spreader gate.

SCISSOR LIFT

Designed for durability, heavy duty scissor lift handles full high-side loads with ease, keeping every dump smooth and controlled.

STAKE POCKETS

Standard stake pockets make it easy to secure oversized loads or add custom sides when the job demands more.

D-RINGS

Heavy-duty D-rings provide security, with tie-down points inside and out to keep every load stable and protected in transit.
