

XT6 - 80" LOWRIDER BP DUMP TRAILER

**IT'S HAUL
OR NOTHING.**

STRENGTH IN EVERY INCH.

The XT6 LowRider 12' x 80" Dump Trailer delivers more space and more muscle while staying compact and maneuverable. With a 25" Easy-Access Deck, Ultra-Strong I-Beam frame, and HD QuickSlide™ 5'8" ramps, it's built for fast loading and dependable performance. Boasting a GVWR of 14,000 lbs and a load capacity of 10,274 lbs, the XT6 is the go-to choice for contractors, landscapers, and crews who need a trailer tough enough for daily heavy use yet sized right for any job site.

COUPLER

The rugged coupler design keeps your trailer locked in and stable, giving you confidence on the road.

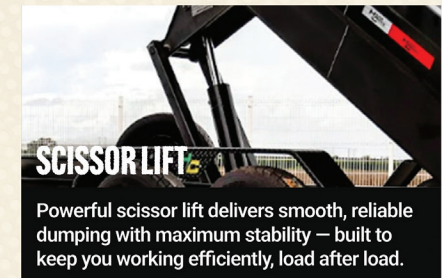

SPREADER

Designed for precision, it lets you manage flow for gravel, soil, or aggregate with ease. Built tough to handle demanding jobs.

D-RINGS

Multiple heavy-duty D-rings provide secure tie-down points inside and out, keeping every load stable and protected in transit.

SCISSOR LIFT

Powerful scissor lift delivers smooth, reliable dumping with maximum stability – built to keep you working efficiently, load after load.
