

XT7-91" HIGHHAUL BP DUMP TRAILER

**IT'S HAUL
OR NOTHING.**

BUILT STRONGER.

The XT7 HighHaul isn't just bigger—it's built stronger. With a 7' x 14' platform, tall 48" sides, and a full 91" stance, this bumper pull dump trailer delivers serious volume and stability for the heaviest loads. From bulky debris to oversized payloads, the XT7 packs the hauling muscle contractors and crews count on.

Engineered from high-strength steel and powered by a robust hydraulic system, it makes quick work of tough jobs. Easy to tow yet made for maximum strength, the XT7 HighHaul is proof that when the job gets bigger, we build stronger.
